From: SFRB Committee

Re: FY 2014-2015 Recommendations

**The following details were provided from the 2014 SFRB Committee:**

- All organizations requesting SFRB money for conference travel or scholarships next fiscal year should briefly explain their processes for awarding scholarships, as well as detailed list of who got the scholarships, how much they got, and what it paid for, similar to Student Conference Award Program (SCAP)/Career Services.

Thank you.
