1. General

There are four (3) components of the mandatory tuition and general fees paid by all students: the tuition, facility/information technology debt service fee, student activity fee, and student government fee. This policy describes how student activity fee revenue is allocated each year. Taking into consideration the recommendations of the University President, the Board of Regents annually approves both the total tuition and fee rates paid by the various categories of students and the individual amounts for each component.

Revenue generated by the student activity fee is used to support a variety of student activities that enhance the academic and intellectual environment at UNM. The activities funded by the student activity fee should advance student learning and support the mission of the University. Units that receive funding are expected to ensure that student activity fee funds are spent in a manner consistent with the stated purpose for which the funding was provided. The University encourages student participation in the deliberations about which student activities and organizations should receive support from student activity fee revenue.

The role of the Student Fee Review Board (SFRB) is to recommend student activity fee amounts and unit allocations of projected student activity fee revenue to the Strategic-Budget Leadership Team (SBLTBLT). The SFRB acts as an advisory body and has no binding authority over the allocation of student fees. The SFRB acts as a joint committee of the Associated Students of the University of New Mexico (ASUNM) and the Graduate and Professional Student Association (GPAS) and functions through student action and with the advice of both faculty and administration representatives.

2. Definitions

2.1. Student Activity Fee

The student activity fee is the per student portion of the mandated general fees used to support a
variety of student activities. It does not include the student government fee, which is a fixed dollar amount approved separately by the Board of Regents for ASUNM and GPSA.

2.2. Student Activity Fee Revenue

For the purposes of this policy, student activity fee revenue is the total amount available or projected to be available for the upcoming fiscal year from based on the prior fiscal year’s student activity fee revenue and the upcoming fiscal year’s enrollment projections. The student activity fee is based on enrollment.

2.3. Unit Allocation

A “unit” for the purpose of this policy is a University department, division, organization, or program partially or fully funded by student activity fees or seeking funding from student activity fee revenue. Chartered student organizations are not eligible to receive funding from student activity fees.

The “unit allocation” is the amount (dollars and cents) of per student activity fee revenue designated for a specific purpose by a unit and approved by the University President based on recommendations of the SFRB and BLT.

2.4. Term of Office (Term)

The term of office of an appointed member or alternate of the SFRB, except for a person filling an unexpired term, is the period of time that begins with the appointment of the member, as provided in this policy, and ends with the end of the term of the ASUNM or GPSA official making the appointment or the official’s successor in the case of two-year appointments.

2.5. Unit

A “unit” for the purpose of this policy is a University department, division, organization, or program partially funded by student activity fees or seeking funding from student activity fees. Chartered student organizations are not eligible to receive funding from student activity fees.

2.6. 21-Day Statistics

Student activity fee revenue will be deposited in an Office of Planning, Budget, and Analysis (OPBA) index and distributed in accordance with the approved unit allocations. If actual revenue exceeds projected student activity fee revenue, the excess funds will be held centrally in a Reserve Fund by the OPBA and reported at year end for future investment in student activity fee funded units. All uses of the Reserve Fund shall be in accordance with Section 7.3. The 21-day statistics are the official enrollment figures that will be used to estimate student activity fee revenue, on a semester-by-semester basis. Actual revenue (which includes adjustments to 21-day statistics) will be posted to individual revenue accounts at the end of each semester.

3. Student Activity Fee Recommendation and Approval Authority
3.1. Board of Regents

The Board of Regents shall approve any change in the total amount of the student activity fee.

- approve expenditures from the Reserve Fund.

3.3. Strategic Budget Leadership Team (SBLT)

The members of the SBLT represent the major constituencies of the University including students, staff, faculty, and the administration. The President has authorized the SBLT to:

- recommend student fee amounts and allocations to the President.

3.4. Student Fee Review Board

The SFRB makes annual recommendations to the SBLT regarding:

- any change in the total amount of the student activity fee; and

The alternates are subject to the same meeting attendance requirements as voting members. The alternates may participate during all hearings and deliberations with all rights and privileges of voting members.

officer who made the initial appointment. Voting members serving two-year terms may only be

and, during the second year, by a vote of the SFRB in which five (5) of the seven (7) voting
members vote in favor of removal.

5. Organization and Meetings of the Student Fee Review Board

5.1. Regular Meetings and Applications Deadline

The SFRB shall meet as needed throughout the year. By no later than the first Friday after
Labor Day October 31, the Chair of the SFRB shall communicate meeting dates to all members of
the SFRB and to the Daily Lobo for publication and shall provide at least three (3) days' notice of
any change in regular meeting dates. The Chair shall be responsible to ensure that all
departments, divisions, and organizations applying to the SFRB have adequate notice of any
meeting or hearing in which funding for the organization is to be discussed.

Applications for funding must be submitted to the SFRB by no later than the first Friday after
Labor Day.

5.2. Special Meetings

Special meetings may be called by a majority vote of the members at a duly called meeting or by
the Chair or Vice Chair of the SFRB. Sufficient notice must be given to all voting and non-voting
members and alternates for a special meeting to be valid, but in no case may notice be fewer than
three (3) days.

5.3. Quorum

A quorum at SFRB meetings shall consist of a majority of the voting members of the SFRB.

5.4. Conflicts of Interest and Ethics

All members of the SFRB, whether appointed, alternate, or non-voting members, are expected to
perform their duties faithfully, efficiently, and with the highest integrity. They must avoid real or
potential conflicts of interest that could interfere with the impartial performance of their duties.
The guiding principles for determining appropriate conduct shall be full disclosure of any real or
potential conflicts of interest, and recusal from participating in any decisions related to the
matters that present the conflicts.
6. Annual Recommendation and Transfer Process

As provided in Section 7, herein, the Reserve Fund may be used for emergency expenditures of units.

In the fall of each year, the SFRB shall initiate the budget process by requesting information from units funded by student activity fee revenues and units seeking funding from student activity fee revenues. This information should provide evidence that the unit is meeting the requirements as stated in Section 1, herein. After reviewing projections for student activity fee revenue and funding requests, the SFRB shall make recommendations to the SBLT. In April of each year the Board of Regents will approve any change in the student activity fee, and the SBLT will recommend and the University President will approve unit allocations for the following fiscal year.

The estimated annual student activity fee revenue funds available to units shall be based on the unit allocations approved by the President and the 21-day statistics based on the various projections of fee revenue referenced in Section 2.2. The actual funds available will be based on the unit allocations and the actual student activity fee revenue.

6.1. Deadline for Submission of Recommendations

The SFRB shall submit its preliminary recommendations for the following fiscal year to the SBLT no later than by February 15 of each year. The SFRB shall submit its final recommendations for the following fiscal year to the SBLT by March 1 of each year.

6.2. Content of Recommendations

The annual recommendations shall consist of the following:

- the proposed change, if any, in the total amount of the student activity fee;
- the proposed unit allocation for each unit; and
- the proposed expenditures from the Reserve Fund (see Section 7, herein).

6.3.1. General Guidelines for Funding Organizations/Units

The student activity fee shall be used to supplement University units which benefit students directly. All applications will be subject to the same processes. There should be no expectation that the recommendation for funding for any of these units will continue from year to year.

6.3.2. Process for Unit Allocations

All units are required to submit an application to be eligible for funding. Each unit will be funded at a per-student amount. The SFRB will hold hearings in which all voting members are mandated to attend. After the hearings are complete, the SFRB will convene to deliberate and determine the total amount of the per-student fee to be used for unit allocations. The target fee
amount must be approved, and the amount can later be amended, by six (6) voting members of the SFRB.

Individual voting members of the SFRB will develop recommendations for each of the applying units. Their total shall not exceed the target per-student amount. At a designated SFRB meeting, individual recommendations will be due and averaged for informational purposes.

Fee recommendations for each applicant must be approved by six (6) voting members of the SFRB. If six (6) members do not agree, the SFRB will recommend funding the applicant at the previous year’s amount. The SFRB’s preliminary and final recommendations will be made public.

6.3.1.1. Any unit funded through student fees must inform the SFRB before spending student fees in a way that does not reflect the approved application, by submitting a SFRB Budget Revision re-justification memorandum form to the Associate Vice President for Planning, Budget, and Analysis, the director of the Student Activities Center, and the members of the Board. Units that fail to provide this required notification may be penalized by receiving a reduced allocation for the following year.

6.3.2.1. If a unit will directly transfer funds to any entity outside of UNM, contracts between the unit and outside entity will be presented to the SFRB before approval. Payments for services provided by official UNM vendors are not considered a transfer of funds to an outside entity.

6.3. Deadline for Submission of Recommendations

The SFRB shall submit its preliminary recommendations for the upcoming fiscal year to the BLT no later than by November 15 of each year. The SFRB shall submit its final recommendations for the upcoming fiscal year to the BLT by December 1 of each year.

6.4. Content of Recommendations

• the proposed allocation of student activity fee revenue for each unit;
• the proposed expenditures from the Reserve Fund (see Section 7).

7. Reserve Fund

7.1. Funding

The Reserve Fund shall be funded by balances carried forward from previous years and allocated...
on a strategic basis to units funded by student fee revenue, in accordance with Section 3.4.

7.2. Use of the Reserve Fund

The Reserve Fund may be used for emergency expenses of units. These expenses may include one-time expenses required to replace or maintain equipment owned or operated by units. The intent of the fund is to avoid raising student activity fees or unit allocations to cover one-time expenses.

7.3. Expenditure and Savings Approval

Expenditures from the Reserve Fund, and carrying balances forward in order to maintain a healthy balance for emergencies, shall be recommended by the SFRB and the SBLT and approved by the President or designee.

8. Amendments

The approval of six (6) of the voting members of the SFRB is required before a proposed amendment may be submitted to the Policy Office. The Policy Office will arrange for the amendment to be reviewed in accordance with Policy 1100 (“Development and Approval of Institutional Policy”). The amendment must be approved by the President, in writing, before it can be issued.

In addition to the standard review process for proposed policy changes as described in UAP 1100 (“Development and Approval of Institutional Policy”), any changes to this policy (other than typos or updated titles) must be approved by six (6) of the voting members of the SFRB. The SFRB should send formal notice of its approval of the proposed policy changes to the Policy Office.
